ALLIANCE GIRL IN SHIP RACE

Young Lady Who is Well Known Here, Made Rapid Trip over Pacific

Many Alliance people know Miss Mabel Thurlow, who was employed in the master mechanic's office at Burlington headquarters two years ago. Miss Thurlow went from here to Fort Collins, where she was employed at the Great Western sugar factory. She left there early last fall to visit her brother on the Philippine Islands.

The following clipping from the Honolulu Advertiser of August 7, tells of the interesting race made for Miss Thurlow:

San Francisco, August 7.—An interesting race between two big steamships was commenced Tuesday afternoon, when the Matson steamer Honolulu, Captain Greene, left for Honolulu with orders to proceed to the island port at the best speed possible, even if hundreds of barrels of fuel oil in excess of the usual amount be burned.

Miss Mabel Thurlow, whose brother is an army officer in the Philippines, had been booked to sail on the transport Sherman, which sailed at noon on Tuesday. The train was late and the United States quartermaster department refused to hold the ship.

When Miss Thurlow arrived she chartered a launch and chased the Sherman, but the race was lost and the young woman returned disconsolate to port. It was then arranged that she sail as far as Honolulu on the Honolulu, which was scheduled to sail at five o'clock. A wireless was sent to the officers of the Sherman informing them that Miss Mabel Thurlow would catch them at Honolulu.

When Captain Matson learned of the girl's race after the Sherman, he directed the skipper of his steamer to burn all the fuel needed to bring his command into the island port before the Sherman continued on to the Far East.

UNION SERVICE THANKSGIVING

The Daily Herald's Many Mentions of Thanksgiving Day Doings Not Quite Complete

Friday's Daily Herald's accounts of things transpiring in Alliance on Thanksgiving day would not be complete without mentioning the union service at the M. E. church which was held as previously announced in this paper.

There was an attendance of about 125. Rev. O. S. Baker, pastor of the Methodist church, presided. The opening hymn was sung by the union choir and congregation. President Wilson's Thanksgiving proclamation was read by Harry Walters. The second hymn, "Great God of Nations, Now to Thee Ours Hymn of Gratitude We Raise," was sung by choir and congregation. Rev. John Hivner of the First Presbyterian church offered prayer. The anthem, "My Faith Looks Up to Thee," was rendered by the choir, Miss Vernon, Miss Vandervoort, Mr. Zickert and Wm. LaMon taking the solo and duet parts. The responsive scripture reading was led by Rev. A. R. Halsup, superintendent Alliance district of the M. E. church. After the singing of the "Gloria Patria," Rev. F. A. Woten of the Christian church read the second Scripture. A Thanksgiving offering for charitable purposes was taken. Another hymn was sung. Rev. W. L. Torrence of the United Presbyterian church delivered the Thanksgiving sermon from the text, "O Give Thanks unto the Lord for He is Good, for His Mercy Endureth Forever," Psalm 36. The closing hymn was sung and Rev. Halsup pronounced the benediction.

HARPER BUYS NORTON STORE

Well Known Alliance Business Men Figure in Large Mercantile Deal

W. R. Harper, proprietor of "Harper's Ladies' Toggery", has purchased the business and stock of the Norton store. The deal involves a stock of goods valued at approximately \$30,000. Mr. Norton recently sold his dry goods and stock of ladies' clothing to F. E. Stearns, who will remove within a few days to Scottsbluff.

Mr. Harper purchases an immense and fine stock of men's clothing, shoes and furnishings. The Norton store is one of the largest in the west end of the state and is made up of new, fresh goods.

Mr. Norton has been in business in Alliance since the town started. He retires from active business life with the sale of his business and will devote his time to his property interests.

Mr. Harper came to Alliance from Denver four years ago and entered the employ of Mr. Norton as salesman. He was with Mr. Norton for a year and a half, leaving to go into business in the ladies' furnishings line. His success in this line has been phenomenal, due to his untiring work and that of his capable co-worker, Mrs. Harper, who is a successful business woman. Mr. Harper has had an extended experience in the clothing and dry goods business, having held a responsible position with the Denver Dry Goods company before coming here, as well as at other points in Colorado and the east.

As soon as the Stearns stock is moved from the south side of the store Mr. Harper will remove the Toggery from its present location to the Norton building. The Norton store will be closed all day Friday for invoicing. Mr. Harper will take possession as soon as invoicing is finished.

Croup and Cough Remedy

Croup is a terrible disease, it attacks children so suddenly they are very apt to choke unless given the proper remedy at once. There is nothing better in the world than Dr. King's New Discovery. Lewis Chamberlain, of Manchester, Ohio, writes about his children: "Sometimes in severe attacks we were afraid they would die, but since we proved that a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup, coughs and colds." So can you. 50c and \$1.00. A bottle should be in every home. At all Druggists. H. E. Bucklen & Co. Phila. St. Louis.

VILLAGE HAS ORNAMENTAL STREET LIGHTS

The village of Keewatin, Minn., with a population of but seven hundred, has one of the handsomest systems of ornamental street lighting to be found anywhere. It is believed that this is the smallest installation of ornamental street lighting. The progressive spirit in this little town as evidenced by the installation of a Great White Way in its business section is to be heartily commended. Twenty powerful lamps, of the ornamental luminous arc type, have been installed on alternate sides of the main street, making that thoroughfare almost as light as day.

GOOD SUGGESTION TO ALLIANCE PEOPLE

It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, drains from the system. This remedy became famous by curing appendicitis and acts on BOTH the upper and lower bowel so thoroughly that ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. We are mighty glad we are Alliance agents for Adler-i-ka. H. Thiele.

R. A. MATTHEWS TURNS OVER JOB

Contractor Who is Building Court House Turns Job Over to Foreman and is Lost

R. A. Matthews, the Grand Junction, Colo., contractor who has the general contract for building the new court house, left Alliance on Monday, November 17, accompanied by his son, stating that he was going to Grand Junction and would return in ten days, and has not been heard from since, as far as the county officials are concerned.

Before Mr. Matthews left town he turned the work of construction over to Chas. Fuller, his foreman, together with the bank account in one of the Alliance banks. Mr. Matthews is believed to have gone to Kansas City. Mrs. Matthews is still here. The work of construction has been going on under the direction of Mr. Fuller.

Geo. E. Mason, a representative of Wm. Campbell, of Grand Junction, is in the city. Mr. Campbell gave an indemnity bond to the surety company. He will probably take up and complete the work of construction. Just what Mr. Matthews' reasons were for giving up the work is not known, but it is believed that financial difficulties are the cause. Mr. Campbell heard from Mr. Matthews, asking him to come to Alliance and take charge of the work.

The following formal notice was sent by telegram to the Omaha bonding company who are surety for Mr. Matthews on the contract, yesterday afternoon:

"Alliance, Nebraska, December 2, 1913. Edwin S. Swobe president, National Fidelity & Casualty Company, Omaha, Neb. You are hereby notified that R. A. Matthews, the contractor for the erection and construction of the Box Butte county court house, has abandoned contract and work on said building. The National Fidelity & Casualty Company is sole surety on bond for construction and completion of said building. You are requested, in compliance with said bond, to take charge of the erection, construction and completion of said building immediately. Please notify us on receipt of this letter what action you will take relative to completion of said contract. By order of the county commissioners. Registered letter confirming same. S. C. RECK, Chairman of Board. M. S. HARGRAVES, County Clerk. (SEAL)"

Stomach Troubles Disappear

Stomach, liver and kidney troubles, weak nerves, lame back and female ills disappear when Electric Bitters are used. Thousands of women would not be without a bottle in their home. Eliza Pool of Dewey, Okla. writes: "Electric Bitters raised me from a bed of sickness and suffering and has done me a world of good. I wish every suffering woman could use this excellent remedy and find out, as I did, just how good it is." As it has helped thousands of others, it surely will do the same for you. Every bottle guaranteed, 50c and \$1.00. At all Druggists. H. E. Bucklen & Co. Philadelphia or St. Louis.

NEW SEWER PUMP COMING

The city council instructed C. A. Dow to purchase another sewer pump to be used at the septic tank south of town. The present pump works badly and there is danger of it stopping at some time and allowing the sewage to run over into the draw.

The new pump, which costs \$250, throws a five inch stream. It will be a duplicate of the one now installed. The pump not in use will be kept in repair at all times so that in the event of a breakdown a quick change could be made.

Avoid Sedative Cough Medicines.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia, use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. It cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.—Advertisement.

WASHINGTON, Dec. 1.—Secretary Lane, in accordance with his announced policy of prosecuting frauds on Indian minors in Oklahoma, has taken some active steps in that direction through the tribal attorneys. The Secretary is in receipt of a telegram from M. L. Mott, attorney for the Creek Nation, which reads in part as follows:

Consumption Takes 350 People Every Day

in the United States and the surprising truth is that most cases are preventable with timely, intelligent treatment.

These appalling facts should warn us that after sickness, colds, overwork or any other drains upon strength, Scott's Emulsion should be promptly and regularly used because tubercular germs thrive only in a weakened system.

The tested and proven value of Scott's Emulsion is recognized by the greatest specialists because its medical nourishment assimilates quickly to build healthy tissue; aids in the development of active, life-sustaining blood corpuscles; strengthens the lungs and builds physical force without reaction. Scott's Emulsion is used in tuberculosis camps because of its rare body-building, blood-making properties and because it contains no alcohol or habit-forming drug. Be sure to insist on Scott's.
